

DLU ONLINE CERTIFICATION

Watch Videos, Take Quizzes, Earn Badges, Get Certified!

DLU Online has expanded its offerings to include new Decision Lens certifications.

Step 1: Navigate to DLU Online:
dlu.decisionlens.com.

Select the Learning Track that best represents your role in Decision Lens.

Courses

How to Create a Prioritization Model (Project Manager)

"How to Create a Prioritization Model" teaches participants the step-by-step process of constructing a strategic prioritization model whether using Decision Blueprints or starting with new goals and objectives.

 5 LESSONS
23 MINUTES
ON DEMAND

Step 2: Select the first On-Demand course from the course list.

As you move from course to course, it is recommended to progress in chronological order.

Step 3: Watch all of the videos, then take the course quiz.

Quiz questions are related to material taught in the videos.

Step 4: After successfully completing the quiz, you will receive your results and a badge towards certification, which can be viewed on the “My Courses” page.

If you fail a course quiz, you will be prompted to review the video content and then retake the quiz.

Repeat the above steps for all On-Demand courses in your Learning Track.
